

## HOLIDAY GAME WON BY ASHLAND TEAM

Richmond College Eleven Helpless Before Fast Attack of Rivals.

PENALTIES WERE COSTLY

Local Men Weak in Handling Punts, and Unable to Stop End Runs.

Costly fumbles, an inability to handle punts, and the ease with which the visiting backs eluded the opposing ends, were the main factors in Randolph-Macon's overwhelming defeat of Richmond College on the Broad Street gridiron yesterday by 29 to 3. The crippled Spider eleven showed absolute helplessness, except in the line, where the locals seemed to be the equals of the Ashlanders. Richmond's only score, a beautiful field goal by Quarterback Smith, came in the second half, when but two minutes remained for play.

Weather conditions were more favorable to the game than on any Thanksgiving Day in recent years, and the 3,000 or more spectators, even though the game dragged listlessly from the first, kept their seats until the referee's whistle ended the struggle. Richmond began fumbling at the start, and this, with several penalties, made it easy for Captain Drewry's men to cross the goal line for the first touchdown. Three minutes after Lawless was pushed across for the first score, he duplicated the trick, and then all hope for Richmond was lost.

No Hope for Richmond. Richmond's line showed a stubborn defense whenever the Yellow Jackets directed their mass plays at it, but Simpson and Rowe, aided by good interference, had no difficulty in routing Guy and MacFarlane, and their gains often resulted in distances of from 20 to 25 yards.

This ability to gain on open field plays helped greatly in piling up the big score, although Simpson lost the ovals by Richmond helped the Randolph-Macon team as much as her own efforts.

Randolph-Macon kicked to Richmond, defending the west goal, when the game began. Guy and MacFarlane, aided by a fumble, and then, aided by penalties for offside plays and holding in line, soon carried the ball to within a few feet of a score. Lawless was pushed across, and Gillette kicked an easy goal. After receiving the ball on the second kick-off, Randolph-Macon made two unsuccessful attempts through the line, and was forced to kick. An Ashlander recovered the ball and Richmond was penalized for holding and again for offside play, and the game was forced to start over. It was easy for the visitors to add another touchdown. A goal resulted. Score—Randolph-Macon, 12; Richmond College, 0.

Richmond College received the ball on the third kick-off, but in the second scrimmage a Randolph-Macon player recovered the oval on a free fumble. The Yellow Jackets failed to gain, and kicked to the forty-yard line. Richmond was forced to kick, and the game was forced to start over. It was easy for the visitors to add another touchdown. A goal resulted. Score—Randolph-Macon, 12; Richmond College, 0.

Two attempts to gain failed, when Quarterback Chaplain called for the place kick formation. When the Richmond men were thinking only of blocking, Lawless threw the ball over the scrimmage line to Gillette, who rushed across for the last score of the first half, completing the execution of the prettiest forward pass of the season on the grounds. The play was the feature of the first thirty minutes of play. The second half opened with the score 18 to 0 in Randolph-Macon's favor.

Randolph-Macon, after the intermission, received the kick on her eighteen-yard line. Gillette punted, but Williams muffed, and Captain Drewry, regaining the oval on Richmond's twenty-two-yard mark, romped across for the fourth score. This was one minute after the half opened. The goal was an easy one, and the score stood at 24 to 0. Williams, whose fumbles in handling punts proved most costly to his eleven, was replaced by

Smith, and the remainder of the game was more stubbornly fought.

Randolph-Macon received the kick, but fumbled after going ten yards, and MacFarlane recovered, but he ran in the wrong direction, thereby losing fifteen yards. Smith punted, and Rowe returned the ball to its starting point. Several kicks were exchanged, when Rowe circled right end for thirty yards, and Simpson followed around right for twenty-five. Lawless carried the ball through right tackle for the final score by Randolph-Macon, and Gillette failed at goal for the only time during the contest. Richmond braced wonderfully thereafter, and Randolph-Macon, for the first time, found great difficulty in making material advances.

Smith kicked field goal. Richmond began her march to the Randolph-Macon goal after Quarterback Smith, catching a forward pass, ran for twenty-three yards. Mills carried the ball eighteen yards. Smith kicked into the scrimmage line, and Randolph-Macon recovered. Rowe's kick was blocked, and MacFarlane fell on the pylon on his twenty-three-yard line. Two downs had failed, when Quarterback Smith, on his twenty-seven-yard mark, kicked the oval squarely between the uprights. Richmond College rooters, who had not been heard from since early in the game, took new life and cheered lustily when the score was made. The game ended with the ball in Randolph-Macon's possession, in Richmond territory.

The result of the game shows Randolph-Macon to be the absolute masters of Richmond College in football, although the locals were greatly crippled.

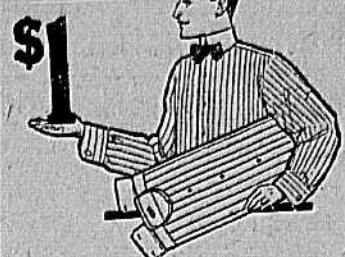

Rowe, Simpson and Gillette were easily the stars for the Yellow Jackets, while Mills did the best work for the college. MacFarlane played exceptionally well at times, but he was erratic, and his end was frequently rounded for good gains. The game meant nothing in the final determination of the championship of the Eastern Virginia teams, except that Randolph-Macon is tied with Hampden-Sidney for the cup.

## PENN WINS POOR GAME ON WRETCHED FIELD

PHILADELPHIA, Pa., November 25.—Following and sliding around on a field that was several inches deep with mud, slush, ice and pools of water, the University of Pennsylvania football team defeated Cornell in the annual game on Franklin Field this afternoon by the score of 17 to 6. The game was a poor play, for which the weather and field conditions were in a great measure responsible. Only once on Franklin Field, in 1908, when Pennsylvania and Cornell played in a snowstorm, were the conditions worse.

## V. P. I. WINS FROM A. & M. IN GREAT STRUGGLE

Sensational Game, Full of Brilliant Plays, Witnessed by 10,000 People—Score Was 18 to 6 in Favor of Virginia.

[Special to The Times-Dispatch.] NORFOLK, Va., November 25.—Virginia Polytechnic Institute, 18; A. & M. College, 6.

The score does not begin to tell the story of the great gridiron battle which 10,000 people saw at Athletic Park this afternoon. The best team in the South, but there was no moment of the game without its sensation, and with every advance of the pike line there was a grating struggle or brilliant play. The Virginians were more aggressive when they were carrying the ball, and they were more deft in taking advantage of the mistakes of the enemy, but even after eighteen points had been rolled up to their credit without a tally by A. & M. in the first scrimmage.

V. P. I. scored first. Minutes of play reaching the five-yard line on two offside penalties for Carolina, and forcing Vivian Hodgson over. They scored again five minutes later on a fake placement kick, Luttrell slipping around left end for thirty yards with the leather tucked under his arm. While the opposition was about to huddle, the opposition was following a headgear that R. E. Hodgson had hurled over the line in lieu of the ball.

In the early part of the second half they dominated up the Virginia line, the perfect execution of a new play invented by Coach Branch Bocock. On a formation for a forward pass Vivian Hodgson apparently was about to huddle the ball out to right end, when Hughes took it out of his suspended hand and sprinted seventy-five yards for a touchdown.

Carolina Shows Fine Spirit. The feature of the game was the spirit displayed by Carolina. In the second half, with the score hopelessly against them, they marched down the field four times with smashing line plays and several clever forward passes, but each time E. R. Hodgson's sturdy toe sent the ball back into A. & M. territory before the line could get into the kicking distance. Putting with the wind, Hodgson defended his goal with sixty and fifty and forty-yard punts—long twisting spirals that were difficult to handle and great ground gains. Nothing daunted, the Carolinians again and with thousands of "down homers" cheering themselves hoarse and imploring them to score, they crossed the line in the last minute of play. Selfert kicked the goal, and the game was ended.

A Great Contest. It was clean football throughout, without a display of bad feeling, or even a minor accident, to mar the spirit of the game. The game was a highly interesting one to the football lovers to make the contest a great one. There was a fine foot in the sky, and a warm autumn sun drove away the chill of a light breeze from the West. The bracing air and the conditions made the game of many a gridiron enthusiast glad.

The line-up was as follows: V. P. I. Line—left end, Luttrell (Davis); left tackle, Burgess (McIntosh); left guard, Massey (Ray); center, Gibbs (Floyd); right guard, Hodgson (R. Dunn); right tackle, Hicks (Selfert); right end, Hicks (Cleaton).

## SMITH TO MANAGE LYNCHBURG NINE

Comes From Wilmington Team, Where He Made Fine Record.

[Special to The Times-Dispatch.] LYNCHBURG, Va., November 25.—President McLaughlin, of the local baseball association, announced today that he had signed Walter J. Smith, of the Wilmington, N. C. team, in 1908 and 1909, as player-manager for 1910. Smith, who is now in the city, will begin the work of rounding up a team for the next season. Indeed, he already has the promise of some good men, who will come here with him. Smith, however, is not expected to come to the city until next spring.

President McLaughlin stated this afternoon that he had very carefully looked into the record of Smith as to his habits, character and playing abilities, and he feels satisfied that Smith will come nearer filling the requirements of the team than any other player under consideration for the position.

Mr. McLaughlin says he is quite confident that Smith will give Lynchburg a good team next year.

Monterle Park Opens. JACKSONVILLE, Fla., November 25.—Close to 7,000 people attended the opening of Monterle Park this afternoon and every indication pointed to one of the most successful winter meets in the history of the racing game.

The big feature was the Thanksgiving handicap, in which some of the best thoroughbreds in the Monrovia stables were entered.
